FROM THE EXECUTIVE DIRECTOR

Dear Friends of Amethyst Place,

As we reflect on another remarkable year at Amethyst Place, our hearts overflow with immense gratitude for your unwavering dedication to our Noble Cause. Throughout our 24-year history, we have been a beacon of hope for families seeking a fresh start, thanks to the support and involvement of advocates like you.

This year, we celebrated numerous triumphs, including reuniting several families, witnessing a child's delight as he stepped into his very own bedroom for the first time, and watching a mother's joy as she purchased her first car after years of relying on public transportation.

Looking ahead, we remain committed to serving 32 more families in need as we eagerly anticipate the completion of our #GROWAP expansion by the end of 2024. We invite you to continue supporting our efforts and being a part of the incredible stories yet to unfold.

Thank you for your boundless kindness and support. Together, we can create brighter futures for the families we serve and the community we cherish.

With heartfelt appreciation,

Setting the Stage: About Us

NOBLE CAUSE

We inspire transformational healing and empower generations of women and children to achieve recovery, reunification, and resilience.

VALUES

- ♥ Building a community of trust and acceptance
- ♥ Serving each other with integrity and courage
- ♥ Unwavering belief in transformation and growth

Amethyst Place is a long-term supportive housing program for women and children recovering from generational poverty, substance use, and trauma. Located at 28th and Troost in Kansas City's Midtown, we have been transforming lives for 24 years serving more than 375 families, including 726 children.

MAKING HEADLINES

The past year has been an exhilarating journey for Amethyst Place, filled with remarkable growth, impactful achievements, and memorable moments that have propelled us to new heights. As we reflect on the stories that have shaped us, we invite you to celebrate the milestones that have made this year extraordinary. Join us as we revisit some of the standout events and accomplishments that have made headlines, forever leaving their mark on our hearts and the history of Amethyst Place.

DESIGNER TAMARA DAY PARTNERS WITH AMETHYST PLACE FOR EXPANSION AND COMMUNI-TEES

Tamara Day, designer and host of Magnolia Network's "Bargain Mansions," partners with Amethyst Place in two impactful ways: designing inviting and functional interiors for the communal spaces within Amethyst Place's expansion site AND using her platform to amplify our mission.

Tamara Day collaborated with Charlie Hustle on a limited-edition KC Heart t-shirt as part of their Communi-tees initiative. A portion of the sales from this exclusive design directly benefit Amethyst Place.

SHE FOUND US

Story told by Sarah Knopf-Amelung
Oct 13, 2023 | Blog

On a Friday morning in early September, our Walking Club set out on our usual walk around the neighborhood. As we made our way south down Troost, we saw a loose dog running around the side streets near Operation Breakthrough. We kept going, looping around with strollers and kids in tow back toward our campus.

When we got to the front gate, we realized the little dog had followed us back. This time, she walked up with her tail wagging, looking for some affection. We gave her a few pets and made our way inside. Soon after, she slipped her small body through the fence and joined us in the gated courtyard.

She was home.

She had no collar or tags, was missing a significant amount of fur, had scabs and skin irritation, and looked like she had recently given birth. It was clear she had been living on the streets for a while.

One of the moms, Cheyenne, went inside and brought her some leftover sausage and rice. She scarfed it down right away, with Cheyenne's son Ezra feeding her sweetly by hand.

There was no keeping her out of the fence, so we let her hang out. She followed staff around for the rest of the workday. First, she jumped in the box truck and went for a furniture pickup with Mollee and Tonille. Then later, she helped lead a volunteer group of students from Pembroke Hill as they helped carry donations to the clothing closet. The rest of the day, she was passed around by different staff, who kept her company and well-fed.

By the end of the day, she already had a name - "Amethyst," of course - and it was clear she had found us, her chosen family.

I took her home that night, promising my husband that it was just for the weekend (is that ever true?).

Now a month later, she is a permanent part of my own family and a frequent visitor to Amethyst Place. She plays with the kids in the courtyard before the bus picks them up for school. She comforts the moms who want the support and unconditional love of an animal. She went along on a pumpkin patch outing in Weston and still does Walking Club on Fridays. She brings immense joy to our lives.

Her place in our community doesn't end here. Up next, she's going to get her Canine Good Citizen training and eventually become a certified therapy dog. Her calm, warm spirit will help our women and children feel comforted during therapy - just like they comforted her on the day she found us.

The parallels have not been lost on us. We have joked that Amethyst (the dog) was like an Amethyst Place mom when she first moves in - without a home, a single mother, and looking for acceptance and community. And just like moms and staff welcome in new Sisters, so was she.

AMETHYST PLACE RECEIVES \$2 MILLION GIFT FROM MACKENZIE SCOTT AND YIELD GIVING OPEN CALL

Updated: 4:35 PM CDT Mar 25, 2024

MacKenzie Scott and Yield Giving announced Amethyst Place as one of the Yield Giving Open Call's awardees working with people and in places experiencing the greatest need in the United States. Amethyst Place received \$2 million, which will support its affordable housing expansion project.

In March 2023, Yield Giving launched an Open Call for community-led, community-focused organizations whose explicit purpose is to enable individuals and families to achieve substantive improvement in their well-being through foundational resources.

"We are incredibly honored to be among the leading nonprofits in the country working toward transformational community change," said Starla Wulf Brennan, Executive Director of Amethyst Place. "This gift nearly closes the gap on our capital campaign, ensuring affordable housing for 32 more families by the end of 2024. We can't wait to bring these families off our year-long waitlist and home to heal."

The Open Call received 6,353 applications and initially planned for 250 awards of \$1 million each. In the Fall of 2023, organizations top-rated by their peers advanced to a second round of review by an external Evaluation Panel recruited for experience relevant to this cause, and underwent a final round of due diligence. In light of the incredible work of these organizations, as judged by their peers and external panelists, the donor team decided to expand the awardee pool and the award amount.

"We are excited that our partnership with Yield Giving has resonated with so many organizations," said Cecilia Conrad, CEO of Lever for Change. "In a world teeming with potential and talent, the Open Call has given us an opportunity to identify, uplift, and empower transformative organizations that often remain unseen."

THE SHEPARD MCCASKILL FOUNDATION PARTNERS WITH AMETHYST PLACE TO NEARLY DOUBLE IMPACT ON WOMEN AND CHILDREN IN KANSAS CITY

by Sarah Knopf-Amelung
Dec 19, 2023 | Blog, in the news

In December 2023, the Foundation announced that Amethyst Place was one of a handful of nonprofits across the state to receive a multi-year investment.

The Shepard McCaskill Foundation is a private family foundation led by Joseph Shepard and former U.S. Senator Claire McCaskill. The Foundation's funding strengthens nonprofit organizations that impact sustainable, meaningful, and beneficial changes in the life trajectories of Missourians.

This year, the Foundation announced a new, multi-year investment to support organizations working with Missourians affected by intimate partner violence, substance use, involvement with the legal system, and other environmental factors.

McCaskill has shown steadfast support for substance use recovery throughout her public service career, which includes launching a Senate investigation into the role of opioid manufacturers and distributors in the opioid crisis. During her time as Jackson County Prosecutor in the mid '90s, she advocated for the development of the Jackson County Drug Court (now Treatment Court), which was just the second county in the nation to begin such a court for those with substance use disorders and non-violent offenses.

The Jackson County Treatment Court continues to change the trajectories of Jackson County residents' lives, including many women who have come through Amethyst Place. Continuing this commitment to recovery, Amethyst Place was selected for the Foundation's substance use recovery emphasis, receiving a two-year award of \$550,000 to extend its reach.

"We are thrilled to partner with Amethyst Place to help expand their already solid work with Kansas City

area moms and their kids. It is exactly the kind of organization we want our Foundation to support," said Shepard and McCaskill.

"The connections between the staff and the moms run deep, and truly nurture their commitment to a new path. The day we visited Amethyst Place really moved us, instilling hope in what can happen with a shared respect for everyone's journey."

- Celebrating more than 2 years in recovery! ✓

Celebrating *Aneesa* 2024

"Amethyst Place has allowed me to have the space and support equally to heal, learn, and grow. However slow, it's been needed. I'm very grateful to have learned to drive and gotten my first license and car. And help with industrial sewing school. I feel like I can potentially achieve more. I still have internal work to do. And I couldn't have gotten this far without Amethyst Place."

Aneesa's Thoughts

"I just wanna thank the staff closest to me. Mollee, you've been a good support to me. You always have a way to talk me down from anxiety, and you've always seen my potential, enough to help push me through the muck of thinking there's no way to go any further...Olivia as well. Thank you for supporting us and being so compassionate and understanding and taking the time to get to know us, providing us a space to destress and heal. All the AP staff really make healing and growing happen. Thank you." ❤️❤️

- Celebrating more than 11 year in recovery! ✓

Next on her list: "I look forward to building my credit and hopefully becoming a homeowner."

Celebrating our *Certified Peer Specialists* 2024

A Certified Peer Specialist (CPS) uses their lived experience overcoming their substance use disorder to help support others seeking recovery. It is a professional credential through the State of Missouri, providing a purposeful career path for people in recovery while helping those most vulnerable in our community.

We are proud to celebrate all the AP women who have achieved their CPS this year! Their accomplishments and chosen career paths demonstrate the deep sense of gratitude and care for others that runs deep within our community. This also benefits the Kansas City area, which desperately needs a talented workforce to help face the challenges of substance use in our community.

Amapola, a CPS at a local treatment center that refers to Amethyst Place, shared this touching story from a day at work:

"I worked all day. I'm grateful for my job helping people in need. I just got home with no shoes. I am grateful that I am able to take the shirt off my back and give it to the person in need today. I took my shoes off and gave it to a person in need that really needed them because they just don't have any. I'm blessed to be here and blessed to bless that next person in need."

AMETHYST PLACE PRESENTS:

**OUR RISING STARS AND
YOUNGEST ADVOCATES,
THE YOUTH ADVISORY COUNCIL!**

THE FUTURE IS BRIGHT AS THE AP YOUTH ADVISORY COUNCIL LEARNS TO LEAD

Established earlier this year, the Amethyst Place Youth Advisory Council gives a platform for our youngest residents to develop advocacy, collaboration, and leadership skills.

Modeled after the Our Voice Residents' Council, these young leaders share ideas for events and activities while raising awareness for important causes.

The Youth Advisory Council at Amethyst Place has had a busy year. Here are some highlights of their activities and accomplishments.

AP's 1st Youth Advisory Council hard at work!

Youth Advisory Council Members pictured: Aubree, John, Maribella, Aaliyah, Autumn, Donairia, Mark, and Isaiah.

Two of our Amethyst Place youth, Bella and Malaya, were selected to represent Kansas City Youth Volunteer Corps at the 2024 Summit in Virginia Beach, VA! Youth who attend the Summit will be ambassadors for the Kansas City Affiliate, which is a major honor.

During Stress Awareness Month, they distributed stress-relief items to their moms and staff.

During our hiring process for Youth Empowerment Manager, we gave our young leaders a seat at the table (quite literally). Members of our Youth Advisory Council led our final round of interviews. Who better to identify the perfect candidate than them?!
