## WHAT WE DO

Located at 28th and Troost, Amethyst Place is a long-term supportive housing program for women and children. Since 2000, we have inspired transformational healing and empowered women and children to achieve recovery, reunification, and resilience.

### Supportive Housing

Helps families stabilize and reunify through 37 private, fully furnished apartments and access to basic needs.

### Family Empowerment

Helps families overcome poverty and lead healthy lives through financial, education, career, and wellness support.

### Therapeutic Services

Helps families heal from past trauma, stabilize mental health, improve parenting skills, and build resilience.
