

EnCompass Mentoring Program

Building Positive Relationships
to Help Women Thrive

PROGRAM AT A GLANCE

The Structure

- AP moms are each paired with two mentors who are friends. The mentors model a positive friendship, build a support system for the mom, and provide personal and professional guidance to help her succeed.

The Schedule

- Twice-a-month evening get-together in the Amethyst Place Community Building to share a meal, activity, and conversation.
- Program runs on an annual basis from August to May, with a break in December and the summer.
- Mentors and mentees can continue participating in subsequent years.

ABOUT AMETHYST PLACE

At Amethyst Place, we inspire transformational healing and empower generations of women and children to achieve recovery, reunification, and resilience. We help families transition from homelessness and separation to housing, reunification, and a bright future. In 2020, 153 women and children lived at Amethyst Place and an additional 55 program graduates remained engaged in aftercare.

ABOUT ENCOMPASS MENTORING PROGRAM

If you would like to dedicate just a small amount of your time to help women feel empowered and supported, we are looking for you!

EnCompass is a mentoring program that helps Amethyst Place women build positive social networks and new support systems to help them on their journeys to success. Through the program, we pair two women who are friends as mentors with one mom. Between August to May of each year, we bring mentors and mentees together twice a month for 90 minutes (Monday or Tuesday evenings) to enjoy a meal and activities provided by Amethyst Place. Through these sessions, mentors model a positive friendship, build a support system for the mom, and provide personal and professional guidance to help her succeed.

Our moms cherish their mentoring relationships and many have continued their relationships even after they have graduated from our program. Many of the mentors have expressed how much their relationships with our moms have enriched their lives.

If you would like to learn more about how you can make a difference in the life of an Amethyst Place mom, reach out to Erin Hestand, Financial Empowerment Coach, at erin@amethystplace.org.
