Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
See Supplemental Statement

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: _____) (Expenses \$ 1,160,984 including grants of \$ _____) (Revenue \$ 571,472)
Supportive Housing: Our campus provides 69 fully furnished apartments within a tight-knit community. Residents have access to a multitude of on-site services to support life skill development and recovery. Families commit to living here one year, although many remain longer to achieve their goals. The average stay for families in 2024 was 28 months. When they graduate our program, they maintain access to all services. In 2023, we began constructing a second, 32-unit campus to meet increased community demand. The \$17 million project was constructed on vacant land a block east of our existing campus. Capital gifts toward this project are reflected in revenue sources. The project was completed in early 2025 and residents were moved into the units beginning in April 2025. With the completion of this project, we increased our capacity by 86%, bringing our total unit count to 69 and increasing our impact to 300 women and children annually.

4b (Code: _____) (Expenses \$ 540,850 including grants of \$ _____) (Revenue \$ _____)
Family Empowerment - This program helps families overcome generational poverty through comprehensive support that addresses their educational, vocational, financial, and wellness goals. Our Family Empowerment Program leverages the power of peer support and lived experience through the work of three staff who are previous graduates of Amethyst Place. All provide individual recovery coaching fused with their specialty areas and coordinate weekly Empowerment programming focused on recovery, mental health, and life skills. A new addition to the Family Empowerment Program is the Youth Empowerment Program (YEP!), which has allowed us to establish youth and adult tracks to empowerment. Youth Empowerment staff provide case management and support, including regular check-ins, coordination with schools, connections to extracurricular activities, and other services to support their well-being, resilience, and growth. They also deliver weekly group programming for campus youth.

4c (Code: _____) (Expenses \$ 258,864 including grants of \$ _____) (Revenue \$ _____)
Therapeutic Support - Families have access to on-site therapeutic services provided by our therapeutic team. Most adult residents have a substance use disorder with co-occurring depression, anxiety, and/or PTSD. Additionally, children often arrive with a host of emotional issues that are a result of separation from their parents and experiencing the chaos of parental substance use, making the need for family therapy essential to improving family functioning and relationships. Each family develops an individualized care plan in concert with the Clinical team. Amethyst Place uses a variety of evidence-based therapies and practices to help families better manage their mental health and heal from trauma in individual, family, and group modalities.

4d Other program services (Describe on Schedule O.)
(Expenses \$ _____ including grants of \$ _____) (Revenue \$ _____)

4e Total program service expenses 1,960,698
